

## Sensor-switched outdoor light

# My L 1

black

EAN 4007841 080679

Article number 080679

Max. 60 W

infrared sensor  
180°

max. 10 m

IP44

Sensor 90° vertical

2 - 2000 lux

8 sec - 35 min

shock proof IK07

ideal 2 m

energy saving

## Function description

## Technical specifications

|   |                                |   |                |
|---|--------------------------------|---|----------------|
| Dimensions (L x W x H)                        | 120 x 110 x 255 mm             | Twilight setting                        | 2 – 2000 lx    |
| Mains power supply                            | 230 – 240 V / 50 Hz            | Time setting                            | 8 s – 35 Min.  |
| Mounting height max.                          | 3,00 m                         | Basic light level function              | No             |
| Sensor Technology                             | passive infrared               | Main light adjustable                   | No             |
| Output  | 60 W                           | Soft light start                        | No             |
| Interconnection                               | No                             | Impact resistance                       | IK07           |
| Slave modeselectable                          | No                             | IP-rating                               | IP44           |
| With lamp                                     | No                             | Protection class                        | II             |
| Lamp  | All-purpose lamp               | Ambient temperature                     | -20 – 40 °C    |
| Base  | E27                            | Housing material                        | Plastic        |
| With motion detector                          | Yes                            | Cover material                          | Plastic, opal  |
| Detection angle                               | 180 °                          | Manufacturer's Warranty                 | 3 years        |
| Sneak-by guard                                | Yes                            | includes sheet of self-adhesive numbers | No             |
| Capability of masking out individual segments | Yes                            | Settings via                            | Potentiometers |
| Electronic scalability                        | No                             | With remote control                     | No             |
| Mechanical scalability                        | No                             | Cover material                          | sticker        |
| Reach, radial                                 | r = 3 m (14 m <sup>2</sup> )   | Version                                 | black          |
| Reach, tangential                             | r = 10 m (157 m <sup>2</sup> ) | PU1, EAN                                | 4007841080679  |
| Photo-cell controller                         | Yes                            |   |                |

Sensor-switched outdoor light

# My L 1

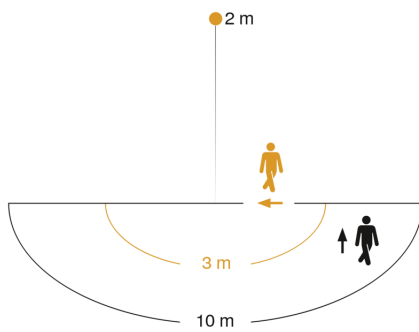

black

EAN 4007841 080679

Article number 080679

## Detection Zone

Mögliche Montagehöhe: 1,80 m – 3,00 m

Orange: radial

Schwarz: tangential
