Function description

Stylish elegance. Intelligent light. The L 940 C outdoor light combines modern elegance with intelligent lighting technology. With its clear, minimalist housing made of high-quality aluminium in elegant anthracite, it blends harmoniously into any architectural environment. With 620 lumens each, two light sources provide an impressive up/down light that effectively sets the scene for facades, entrances or patios. The L 940 C can be wirelessly networked with other lights and conveniently controlled via the STEINEL Connect app - for a perfectly harmonised lighting atmosphere around the house.
