

# PC4 Bluetooth push-button coupler

EAN 4007841 067342

Article number 067342

## Function description

Easy modernisation. Bus functionality during renovation – without any new cables. This is now possible with STEINEL Bluetooth components. The proven wireless technology sets completely new standards in the latest mesh version and can be used wherever simple modernisation needs to be carried out quickly and cleanly. Integration of up to four standard push buttons. The PC4 Bluetooth push button coupler is installed in a standard flush-mounted box. Its functions can be freely programmed via an app. This means that the push button coupler is wiring-safe.

## Technical specifications
