Function description

Simply connected. Triple illuminated. The cross connector brings maximum flexibility to your 24V garden lighting system. With its three outputs, you can connect several lights or connecting cables at the same time - ideal for illuminating paths, flower beds or different garden areas at the same time. Thanks to Plug & Play, it is easy to integrate and gives you creative freedom when planning your lighting. Unused outlets can be sealed securely and watertight with the enclosed cover caps.

Technical specifications

Manufacturer's Warranty	3 years	Ambient temperature	from -20 up to 40 °C
PU1, EAN	4007841089313	Product category	24V-Garden Accessory
Application, place	Outdoors	Anzahl der Ausgänge	3
Application, room	outdoors, garden, terrace / balcony	Geeignet für Konstantspannung	Yes
Colour	black	Geeignet für Konstantstrom	No
Package content	1	Ausgangsspannung	24 V
IP-rating	IP67
