

Accessory

Fine dust filter HL 1920 E - HG 2320 E

Singlepack
EAN 4007841 078218

Function description

Longer life for your hot air tool. The fine-dust filter stops particles from getting inside the tool and permanently protects the sensitive electrical system and other internal components from damage. The fine-dust filter can be used for hot air tools HL 1920 E, 2020 E, HG 2120 E and HG 2320 E.
