## Function description

Powerful lighting very big on style. The XLED ONE XL with an output of 43 W delivers a powerful 3000 K and 4400 lm of warm white light. Tilting through 180°, the wall and ceiling spot is fitted with high-quality and particularly long-lasting LEDs with a service life of a good 30 years – without any ifs or buts. Protection class: IP44.

## Technical specifications

|   |                          |
|---|--------------------------|
| Dimensions (L x W x H)                        | 193 x 259 x 215 mm       |
| Mains power supply                            | 230 – 240 V / 50 – 60 Hz |
| Output  | 43 W                     |
| Luminous flux                                 | 4400 lm                  |
| Colour temperature                            | 3000 K                   |
| Colour variation LED                          | SDCM3                    |
| Colour Rendering Index CRI                    | 80-89                    |
| With lamp                                     | Yes, STEINEL LED system  |
| Lamp  | LED cannot be replaced   |
| LED life expectancy (max. °C)                 | 50000 h                  |
| Drop in luminous flux in accordance with LM80 | L70B10                   |
| LED cooling system                            | Passive Thermo Control   |
| With motion detector                          | No                       |
| Photo-cell controller                         | No                       |
