

# mobile heat

Mobile. Fast. Powerful.

# Innovative heating technology meets maximum battery power.

## Cordless hot air tool mobile heat

- Correct Temperature immediately on start-up, thanks to the Temperature Boost of 0 to 300 °C in under 5 seconds!
- Cordless Flexibility
- Powerful Airflow of up to 300 l/min. applied directly to material
- Approximately 20 minutes continuous running time on fully charged 5.5 Ah Battery Pack
- Safer working with Security Lock-Button
- LED Light at the base of Tool provides better illumination of work surface
- Suitable for use with the extensive range of Steinel Nozzles
- Compatible 18V Battery Pack with the CAS System (more details below)

The Cordless Alliance System (CAS) gives you freedom from the power socket! Powering our hot air tools with CAS rechargeable batteries, we use the world's most efficient and best-performing system known to the industry. The 18-volt class lets us cover the main field of application for professional users. In the meantime, our dream of a cordless construction site is now shared by more than 20 of the industry's leaders with over 200 tools spread across the various market segments.

Suitable for push-on standard nozzles

Hanger

LCD info display (mobile heat MH 5)

Patented STEINEL heating technology

Four selectable programs (mobile heat MH 5)

Safety switch

Non-slip grip handle

LED work light

Powerful CAS rechargeable battery

mobile heat MH5	< 4sec. 300°C Temperature Boost	50 - 500°C Digital, infinitely variable temperature adjustment	max. 300 l/min Airflow rate adjustable in 6 stages
mobile heat MH3	< 5sec. 300°C Temperature Boost	300 / 500°C Two-stage temperature	max. 200 l/min Automatic air-flow rate

## mobile heat MH 3

### From 0 to 300 in 5 seconds.

Quickly to hand and ready to start almost straight away: the cordless 18 V mobile heat MH 3 hot air tool is ready for use in just five seconds and, delivering 300°C and 500°C of heat, provides two temperature options for direction selection on the joystick. The powerful tool is rated for airflow rates of up to 200 l/min. On a single battery charge you can reliably fit up to 200 heat-shrinkable cable sleeves of all kinds with absolute precision. With integrated LED light, the work zone is always perfectly illuminated.

max 200 l/min  
Air Flow Rate

300 / 500°C two-stage  
temperature

Shrinking cables

#### Technical specifications

Dimensions (L x W x H): 202 x 82 x 223 mm  
(without rechargeable battery)  
Temperature: 300 / 500°C  
Airflow rate: max. 200 l/ min  
Warm-up time: < 5 sec. (300°C)  
Temperature indication: display  
Temperature setting: joystick  
Heating element: ceramic heating element  
Thermal cutout: yes  
Rechargeable battery: 18 V, 5.5 Ah  
Weight: 685 g (without battery), 1,660 g (with battery)

#### with battery

#### Order details

EAN 4007841 068226  
(incl. case, 18V 5.5Ah  
rechargeable battery  
and SC 18-55 charger)

EAN 4007841 063986  
(incl. case, without battery)

## mobile heat MH 5

### Everything else is just hot air.

The compact mobile heat MH5, has the option for the user to pre-set four settings for repetitive tasks and delivers Hot Air in record time! Heats up to 300deg. C in less than 4 seconds up to a max. 500 °C in 20 seconds. Accurate temperature adjustment between 50-500 °C in 10° steps, providing heat with precision to suit many applications? Digitally controlled Airflow rate up to 300l/min. in six stages.

max 300 l/min  
Adjustable Air Flow

50 - 500°C digital,  
infinitely variable tem-  
perature adjustment

Tarpaulin Roofing Sheets

#### Technical specifications

Dimensions (L x W x H): 202 x 82 x 223 mm  
(without rechargeable battery)  
Temperature: 50 - 500°C, digitally adj. in 10° steps  
Airflow rate: max. 200 l/min, digitally adj. in 6 steps  
Warm-up time: < 4 sec. (300°C)  
Temperature display: LCD display  
Temperature setting: joystick  
Settings: 4 user-selectable programs  
Heating element: ceramic heating element  
Thermal cutout: yes  
Rechargeable battery: 18 V, 5.5 Ah  
Weight: 685 g (without battery), 1,660 g (with battery)

## The right accessories for any job

At STEINEL you will find accessories ideally suited to applications in your particular work segment. These give professional users, such as electricians, signmakers and roofers, greater potential for applying their hot air tools, making them even more versatile. You will find our full range of accessories at [www.steinel.de/en/](http://www.steinel.de/en/)

### Welding

				
Welding nozzle EAN 4007841 070915 (Pushes onto 9 mm reduction nozzle)	Wide-slit nozzle EAN 4007841 074715 (Pushes onto 14 mm reduction nozzle)	Pressure roller 7mm 4007841 034115 (Brass)	Pressure roller, 35 mm EAN 4007841 006785 (with ball bearing, single arm, silicone roller)	Teflon pressure roller, 40 mm EAN 4007841 034122 (single-arm roller mounted on ball bearings)
				
Tarpaulin shears EAN 4007841 010423	Fillet weld tool EAN 4007841 011833	Fillet testing device EAN 4007841 034986	Welding rods EAN 4007841 071219 (HDPE) EAN 4007841 073114 (PVC) EAN 4007841 073411 (PP) EAN 4007841 074210 (ABS)	

### Shrinking and insulating

				
Reflector nozzle EAN 4007841 070519	Sieve reflector nozzle 50 x 35 mm EAN 4007841 010294	Crimp connectors Ø 0,5–1,5 mm EAN 4007841 006655 Ø 1,5–2,5 mm EAN 4007841 006648 Ø 0,1–6,0 mm EAN 4007841 006662	Heat-shrinkable tubes I Ø 1,6–4,8 mm EAN 4007841 071318 II Ø 4,8–9,5 mm EAN 4007841 071417 III Ø 4,0–12,0 mm EAN 4007841 072766	Shrink tubing kit including reflector nozzle and heat-shrinkable tubes I+II EAN 4007841 075811

### Removing and shaping

				
Surface nozzle, 50 mm EAN 4007841 070113	Surface nozzle, 75 mm EAN 4007841 070212	Window nozzle, 50 mm EAN 4007841 070311	Window nozzle, 75 mm EAN 4007841 070410	Paint scraper set EAN 4007841 010317

### Soldering and spot heating

				
Reduction nozzle, 6 mm EAN 4007841 009571	Reduction nozzle, 9 mm EAN 4007841 070618	Reduction nozzle, 14 mm EAN 4007841 070717	Soldering reflector nozzle EAN 4007841 074616	Adapter nozzle professional EAN 4007841 068035

### Special accessories

			
Hot air tool guard cage EAN 4007841 053963	18V CAS Steinel battery EAN 4007841 068257 (5.5 Ah)	Fast CAS Steinel charger ASC 145 EAN 4007841 068349	Hot-air accessory kit (12-piece) EAN 4007841 075569 (including 75 mm surface nozzle, 75 mm window nozzle, 14 mm reduction nozzle, 9 mm reduction nozzle, wide-slit nozzle, welding nozzle, 24 mm reflector nozzle, paint scraper and blade holder with 3 blades)
