

Sensor-switched outdoor floodlight

LS 300 LED

The beaming floodlight! Extremely bright, extremely robust.

The sensor-switched floodlight with aluminium floodlight head. Developed especially for needs at the front of homes, driveways and side entrances. The floodlight is available in black or white.

3120 lm

With a light output of 3,120 lm, you will also be able to use your spaces as a playing field at night.

4000 K

A colour temperature of 4000 K ensures a neutral white illumination of the area.

50,000 h

The LEDs have a life expectancy of up to 30 years or 50,000 hours.
